FROM 9:30-10:30

We would like to introduce you and your student to our Kindergarten Teachers, Principal, and Other Staff.

We will share important information that will help you and your child transition successfully to our Montessori school. You will learn what to bring, how to prepare your child for school and some aspects of Montessori education and how our school works.

While parents are meeting the children will make a short visit to the classrooms for a story and activity.
