Please **do not mark** regular pencils and lined paper with your child's name. These items will be stored in a general place and they will be on the supply shelf as needed for all to use. Please **do label** your child's name on all other personal items including backpacks, gym shoes, lunch boxes and clothing. Remember, you're all hitting the same sales in town! (Each year, nice boots, shoes, and gloves that no one in our class seems to recognize as theirs, all end up in lost and not found!) Please mark colored pencils individually, as they end up scattered about the classroom unclaimed.

All student materials need to fit inside the desk, including pencil boxes. This should help you avoid investing in trendy supplies, or those beyond the requested items.

For Home Use: *A customary/metric unit ruler.*

This list reflects both Montessori program and specific classroom needs, and thus differs from the standard District supply list. Hopefully, you can reuse materials from previous years. Please, let me know of any hardships in purchasing materials.

I am looking forward to an exciting, cooperative, educational school year and hope you are, too!
See you soon!

Warmly,

Dawnmarie Riley
